

Your Guide to **REDISCOVERING**

Welcome Back!

We are excited to reopen the Discovery Centre and with your help provide a safe and fun destination for your family.

With reopening comes some operational changes including online admission tickets so members and visitors can pre-register in advance of their visit, as well as changes to our hours to ensure both the safety of our guests and the sanitization of our space.

What to Expect

- Reopening hours - Thursday – Sunday, 9am-12pm & 1pm-4pm
- Tickets can be purchased online at <https://discovery-centre.myshopify.com/>. All visitors including members and children require a ticket before entering. This will help us limit capacity in accordance with Public Health guidelines
- Follow directional routes throughout the building to make it fun for your family and to ensure physical distancing measures are adhered to inside the Discovery Centre
- Hand sanitization stations will be readily available throughout the facility
- High interaction areas like the front desk and café have been enclosed in plexiglass for the safety of staff and visitors
- Cleaning procedures of high touch areas have been increased
- A staff member will greet your family at the door, scan your ticket, and explain some of our new procedures

Do Your Part!

- Wearing a mask is mandatory during your visit
- Stay with your group during your visit
- Maintain physical distancing between groups
- Follow the designated routes
- Wash and/or sanitize your hands frequently
- One group in the elevator at a time. If you are able, please considering using the stairs.
- Delay your visit if experiencing symptoms of COVID-19
