

Membership Terms & Conditions

All Discovery Centre memberships are non-refundable and non-transferable. All purchased memberships are limited to the adult individuals listed on the membership application.

- Members visiting Discovery Centre, and other partner science centres, should be prepared to show photo identification if requested.
- Discovery Centre memberships are limited to residents of Nova Scotia, New Brunswick, and Prince Edward Island. Discounted rural memberships are valid for those living over 100km away. We encourage visitors from outside the Maritimes to purchase a membership to their home science centre which can be used for free reciprocal admission to the Discovery Centre when they visit.
- Memberships with more than one adult/senior must be shared by adults/seniors with the same address. Dependent children are those 17 and under and living at the same address as the adults.
- Children 12 and under must be accompanied by a parent/guardian or caregiver aged 18 years or older on Discovery Centre premises at all times.
- Members need to have their digital card and photo ID ready in order to gain fast entry during peak times. Without a membership card, members must join the general admission line for the Front Desk team to look up membership details.
- Member sneak peeks and special invites are designated for member cardholders only.
- Membership cards are not valid for free or discounted admission for educational programs, group field trips, school visits, specialty events, or as guests at non-member birthday party bookings.
- Free Dome Shows: Dome Theatre shows must be booked in-person and are subject to availability.

- **Loyalty program:** The loyalty program begins October 21, 2026. Members will have a one-month grace period from their membership expiry date to renew in-person to receive their \$30 gift card to Discovery Centre. If an expired membership has lapsed for longer than a month it will start back to the first year of the membership program.
- **20% off general admission for guests:** Guests must visit with a named adult or senior member. Discount applies to every guest. General admission only, not applicable for members only events. Not applicable towards Dome Theatre shows. Not applicable on top of other discounts (ex: CAA discount). Only applicable for walk-in purchases. During peak busy times such as March Break, members bringing guests may need to wait in the general line.
- **Annual giveaway for a free year of membership:** This giveaway will be held once a year for existing members. Members must enter in-person during the giveaway period. The winner will be chosen by random draw and notified by email. The free year of membership is valid for a membership valued at the amount of the existing membership of the winner. The winner's membership will be automatically extended for the free year at the end of their existing membership year. No purchase necessary and no cash value.
- **15% off Beaty Centre for Marine Biodiversity membership:** Discovery Centre members will receive 15% off a membership for Beaty Centre for Marine Biodiversity. The membership must be purchased in-person for the discount to be applied. Not applicable on top of other discounts
- **Discounts on special events, camps, and birthday parties:** Member codes are sent via email and are not shareable with non-members. If non-members use a member code, they will be removed from the camp/event, etc.

- Free admission to 30+ science centres across Canada: Discovery Centre members can visit any Canadian Association of Science Centres (CASC) location for free with their valid membership and ID. The number of CASC locations are subject to change and can be found on canadiansciencecentres.ca.

Violation of Discovery Centre's membership terms and conditions, outlined above, may result in a revoke in membership without a refund. The Discovery Centre reserves the right to change its membership terms and conditions at any time.
